MEETUPS

Make connections with high-potential candidates

AT A GLANCE

- (4) 25-minute small group meetings with candidates interested in learning more about your program.

ON THE EVENT DAY

- On the day of the event, you will be provided with your confirmed MeetUp schedule.

- As you meet with candidates, you will scan their badges to mark their attendance.

- Those leads are automatically sent to your Exhibitor Portal, where you can download a full report of everyone you met with.

CANDIDATE MATCHING ⌄

We use GMAC's rich data intelligence to match you with right-fit candidates, based on the criteria you provide.

AUTOMATED INVITATION SYSTEM ⌄

Candidates are automatically invited to schedule a MeetUp based on our matching recommendations. That means no pre-event work is needed from your team!

FAQs ⌄

What if there is a particular candidate that I would like to meet with?
You can email them directly (once before the event) to invite them to schedule a MeetUp. We will provide you with the link they can use to sign up.

Will you allow for on-site scheduling at the event?
Yes, if you have space available, and a candidate is interested in meeting you, we certainly will allow for them to join your MeetUp.

Can we meet with more candidates if we bring additional staff members?
For fairness to all participants, MeetUps will be limited to 6 candidates per session, regardless of number of staff members.

What happens if I have a Talk Presentation that conflicts with one of my MeetUp sessions?
Your conflicting MeetUp session will automatically be blocked off. We will increase the capacity of your other (3) session to 8 candidates, so you still have the opportunity to meet with the same total number of candidates.
